de Géologie Appliquée

iCAGE 2016

**International Conference on Applied
Geology & Environment**

May 19 – 21, 2016

Mahdia-Tunisia

INSTRUCTIONS FOR EXTENDED ABSTRACT

Extended Abstracts must be submitted via the [Online Submission System](https://cmt.research.microsoft.com/ICAGE2016) at <https://cmt.research.microsoft.com/ICAGE2016> as “Supplementary Material” to the corresponding submitted abstract no later than 15th March 2016, according to the following instructions:

GENERAL

The file name must be the “EA_” followed by the name of the Leading Author (the one that will present the paper during the Conference) (e.g. EA_SDIRI.doc).

The paper should be typed and edited strictly in accordance with the Extended Abstract Guidelines (Use the file **EXTENDED_ABSTRACT_TEMPLATE.doc** and see the example in **EXTENDED_ABSTRACT_EXAMPLE.pdf**).

Each extended abstract must be 2 pages exactly in format A4 and must be written in English.

The quality and content should be consistent with, and conform to, the paper.

No page numbering, line numbering, headers and footers can be used.

SPECIFIC

The Extended Abstract (do not confuse the EA with the abstract originally submitted for acceptance) should briefly describe the **research objectives**, **results** and **conclusions**. It should contain no more than 5 keywords and **no references**. Extended Abstracts can include tables and figures, but not exceed the 2 pages in length.
